We are always in need of volunteers. It is what keeps our Tax Rate the lowest in the County!!! Remember you don' have to be a Council Member to be a leader.

**When you volunteer, you receive more than you give!**

**Trout Fishing Derby: Postponed until October 3<sup>rd</sup>.**

## July 4<sup>th</sup> Parade

We are planning, pending WV guidelines, to have our annual kids parade this year. We will meet at pool parking lot at 9:30a with a 10a start. There will be cool treats and lots of fun. We will be working with pool team to make pool available as well, if possible.

---

## Highway Clean-up

Please join your fellow residents in helping to keep the main entrances to our Town looking the best it can be. The Town of North Hills has adopted this section of highway and conducts clean-up days 3-4 times a year. If you want to help keep our surroundings looking tip-top please come to the pond parking lot on one of clean-up days on Saturday mornings. **Next Clean-up: July 25<sup>th</sup> at 8:30a!!!**

## Building Permits

We have enjoyed a busy few months of building permit applications. Unfortunately, not every resident has complied with this Town ordinance/law. A permit is required if construction is not for an in-kind replacement. If you're not sure a permit is required; please contact any Council member and we would be glad to discuss. Permits are easy to fill out and have a small nominal fee. Failure to get a permit may lead to penalties and even removal of constructed item(s). Permits are not intended to be restrictive but protective of your property value and maintain a level of consistency that made us choose North Hills. As a reminder; North Hills is not an HOA. North Hills is an incorporated Town in West Virginia. Council reserves the right to hold Municipal Court and level fines up to \$2000 per violation. Please help us avoid this, since it is expensive for you and the Town, by filling out a permit. Permits can be found on the Town website.

# Town of North Hills Fundraising Event

## TOWN OF NORTH HILLS

Council members (past and present) and several residents have been working to create a safe and accessible playground for Town children. Playground equipment will be installed near NHS&RC basketball court. Please consider donating to our future generations. Our goal is to raise \$25k. The more we are able to raise; the more pieces of equipment we can have installed. Donations are also tax deductible.

We will also be asking for volunteers to help install equipment. This will save \$\$ for the equipment!
